

SAFETY DATA SHEET

Short version ([Link to complete version below](#))

Hunton Nativo Airinjected Wood Fiber Insulation

The safety data sheet is in accordance with Commission Regulation (EU) 2015/830 of 28 May 2015 amending Regulation (EC) No 1907/2006 of the European Parliament and of the Council on the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

SECTION 1: Identification of the substance / mixture and of the company / undertaking

Date issued	25.06.2021
-------------	------------

1.1. Product identifier

Product name	Hunton Nativo Airinjected Wood Fiber Insulation
--------------	---

1.2. Relevant identified uses of the substance or mixture and uses advised against

Function	Description: Thermal insulation in form of loose wood fibers for wall-, floor-, attic-, and roof-constructions
----------	--

Relevant identified uses	SU19 Building and construction work
--------------------------	-------------------------------------

1.3. Details of the supplier of the safety data sheet

Manufacturer

Company name	Hunton Fiber AS
Postal address	Niels Ødegaardsgate 8
Postcode	2810
City	Gjøvik
Country	Norge
Telephone number	61134700
Fax	61134710
Email	maciej.biedacha@hunton.no
Website	www.hunton.no

1.4. Emergency telephone number

Emergency telephone	Telephone number: 22591300
---------------------	----------------------------

SECTION 2: Hazards identification

2.1. Classification of the substance or mixture

Classification according to Regulation (EC) No 1272/2008 [CLP / GHS]

SCL The product is not classified as hazardous

2.2. Label elements

2.3. Other hazards

SECTION 3: Composition / information on ingredients

3.2. Mixtures

Composition type	Mixture
Substance comments	Wood fiber of spruce Water Ammonium phosphate Paraffin

SECTION 4: First aid measures

4.1. Description of first aid measures

General	No medical advice necessary
Inhalation	None
Skin contact	None
Eye contact	In case of a direct contact of wood fibers with eyes rinse with water.
Ingestion	None
Recommended personal protective equipment for first aid responders	Wear protective gloves / protective clothing / eye protection / face protection.

4.2. Most important symptoms and effects, both acute and delayed

4.3. Indication of any immediate medical attention and special treatment needed

SECTION 5: Firefighting measures

5.1. Extinguishing media

Suitable extinguishing media	Use appropriate fire extinguishing methods for construction materials Water Carbon dioxide (CO ₂) Powder Foam
------------------------------	---

5.2. Special hazards arising from the substance or mixture

5.3. Advice for firefighters

SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures

General measures	Do not expose to open fire
------------------	----------------------------

6.2. Environmental precautions

Environmental precautionary measures	None
--------------------------------------	------

6.3. Methods and material for containment and cleaning up

Clean up	Manual and mechanical handling
----------	--------------------------------

6.4. Reference to other sections

SECTION 7: Handling and storage

7.1. Precautions for safe handling

Handling	Installation with appropriate insulation equipment
----------	--

7.2. Conditions for safe storage, including any incompatibilities

Storage	Store in a dry place.
---------	-----------------------

7.3. Specific end use(s)

SECTION 8: Exposure controls / personal protection

8.1. Control parameters

8.2. Exposure controls

Eye / face protection

Required Properties	None / Goggles
---------------------	----------------

Hand protection

Skin- / hand protection, short term contact	None / Gloves
---	---------------

Skin protection

Additional skin protection measures	Regular work clothing is sufficient
-------------------------------------	-------------------------------------

Respiratory protection

Respiratory protection, general	None / dust mask
Respiratory protection necessary at	In case of high concentration of the airborne dust particles wear a dust mask
Respiratory protection, comments	Avoid inhaling dust. In case of discomfort: consult a doctor.

Hygiene / environmental

Specific hygiene measures Følge vanlige industrielle hygienetiltak.

SECTION 9: Physical and chemical properties

9.1. Information on basic physical and chemical properties

Physical state	Loose fibers
Colour	Light brown
Colour intensity	Light.
Density	Value: 30 – 60 kg/m ³

SECTION 10: Stability and reactivity

10.1. Reactivity

10.2. Chemical stability

Stability No hazardous reactions known

10.3. Possibility of hazardous reactions

10.4. Conditions to avoid

10.5. Incompatible materials

10.6. Hazardous decomposition products

Hazardous decomposition products No hazardous decomposition products known

SECTION 11: Toxicological information

11.1. Information on toxicological effects

Other information regarding health hazards

General No known acute toxicological effects

11.2 Other information

11.2 Other information

11.2 Other information

SECTION 12: Ecological information

12.1. Toxicity

Ecotoxicity Biodegradable

12.2. Persistence and degradability

Biodegradability	Comments: Biodegradable
------------------	-------------------------

12.3. Bioaccumulative potential

12.4. Mobility in soil

Mobility	Absorption of liquids possible
----------	--------------------------------

12.5. Results of PBT and vPvB assessment

12.6. Endocrine disrupting properties

12.7. Other adverse effects

SECTION 13: Disposal considerations

13.1. Waste treatment methods

EWC waste code	EWC waste code: 030105 sawdust, shavings, cuttings, wood, particle board and veneer other than those mentioned in 03 01 04
----------------	--

SECTION 14: Transport information

Dangerous goods	No
-----------------	----

14.1. UN number

Comments	No hazardous material as defined by the prescriptions of ADR/RID, ADNR, IMDG-Code, IATA-DGR. Not classified as dangerous goods.
----------	--

14.2. UN proper shipping name

14.3. Transport hazard class(es)

14.4. Packing group

14.5. Environmental hazards

14.6. Special precautions for user

14.7. Maritime transport in bulk according to IMO instruments

SECTION 15: Regulatory information

15.1. Safety, health and environmental regulations / legislation specific for the substance or mixture

15.2. Chemical safety assessment

SECTION 16: Other information

Last update date	30.06.2020
